“Black church, NHL’s Penguins reach historic land-use accord” / Peter Smith, April 14, 2023

More than 60 years ago, a historic Black church was forced to give up its sanctuary, compensated for what it says was a fraction of its value, to an urban renewal project . . . Now, Bethel African Methodist Episcopal Church . . . reached an agreement with the Pittsburgh Penguins — the NHL franchise that now holds development rights to the site . . . —for the church to use a 1.5-acre parcel . . . for housing and other revenue-generating development.
